Dear Hospital Providers:

The Department of Medical Assistance Services will be conducting WebEx training on **Hospital Based Presumptive Eligibility (HPE)**. All staff who will conduct HPE determinations **MUST** participate in this training session prior to conducting any determinations. The training is required as well for hospital staff who are currently performing determinations. Participating hospitals in HPE will be able to temporarily enroll individuals who are likely to be eligible in Medicaid, without waiting for an eligibility determination from the state. Please attend this webinar to learn about the recent changes to the HPE program in Virginia as well as how to complete the new HPE agreement to participate in the HPE program.

Each training session will focus on:

- What is Hospital Presumptive Eligibility (HPE)?
- Hospitals Role in HPE
- The new HPE Eligibility Manual and Updates to Virginia's HPE Agreement
- Accountability and Performance Standards
- HPE Eligibility and Covered Services
- Updated HPE Screening Tool
- New Quick Guide to Citizenship and Immigration
- New Notices of Action
- Updated HPE Online Enrollment Form
- New Hospital Notices of Action
- Cover Virginia

Online Medicaid training registration can be accessed at <http://dmasva.dmas.virginia.gov/>. On the right hand menu click the Upcoming Training Events link. Open the **Hospital Presumptive Eligibility Training** letter and select the link given that corresponds with the session you wish to attend. The links will open the WebEx registration page to the training scheduled for that day and time. Each participant's name and valid email address will be required for registration. Once registration is approved, you will receive a confirmation email with all of the training details. The number of participants allowed in each session is limited. Once a session is full, additional registration requests will be waitlisted. Waitlisted individuals will be registered if a confirmed participant cancels. If you do not receive the confirmation email please call (804) 371-6327 or 225-4578.

We look forward to your participation in our Medicaid WebEx. If you have any questions regarding these sessions, please email us at providertrainingregistration@dmas.virginia.gov or call (804) 225-4578 or 371-6327.
